NSF-MRSEC funds are now available for a limited number of fellowships to support graduate student and postdoctoral fellows to attend the SXNS-11 conference. The fellowship deadline is June 15, 2010. See www.sxns11.northwestern.edu for a description of the conference. The SXNS-11 Fellowship will be awarded as a reimbursement of registration fee and partial reimbursement for travel and/or on-campus housing costs. We encourage applications from under-represented groups. Preference will be given to applicants who have submitted an abstract. The Poster abstract deadline is June 15, 2010.

To apply for this SXNS Fellowship please send an e-mail message to sxns-11@northwestern.edu with subject line "SXNS-11 Fellowship Application". To this e-mail reply attach the following:
1) Completed SXNS-11 Fellowship application form listed below
2) A one-page CV
3) A 200 word statement indicating how attending the SXNS-11 conference will help your career.

Also have your advisor e-mail a short recommendation letter explaining briefly how your attendance at SXNS-11 would be beneficial to your education / training. The subject line for this e-mail should be SXNS-11 Fellowship with your last name.
